Past professional experience working with Board of Directors and organizational committees pertaining to overall operations. Recorder of meeting minutes while on such planning and safety committees.

Comments/Additional Information:

As an avid cyclist, and a resident of Lafayette for almost four years, I feel it is my duty to help the community in a way that can have a deeper impact on the people of Lafayette. Until now, I have only been able donate my time to small events (noted below). I now hope to be more deeply involved in volunteerism by becoming a part of the Lafayette BPAC. In the relatively few years I have lived here, I have noticed many transitions that deserve pedestrian and cycling considerations. In the years ahead, I personally feel the need for heightened pedestrian and cycling planning in order to keep Lafayette a safe place for all who live and visit this great community.
